

1. SERVICE TO OR WITH PEOPLE

We ask that the majority of your service involve working directly with people, serving as Christ did. While there may be a few occasions where you will indirectly help others through other means (office work, cleaning), we require that MOST hours come from direct service to others. Service must be for a non-profit agency such as those listed at the end of this publication. For any other agency or organization type to be validly accepted, it must be approved by the Director of Christian Ministry.
